# FROM RUBY TO HASKELL

Talk
about writing
code in
Ruby & Haskell

~~Talk~~ ~~about~~ writ**e**~~ing~~ code in Ruby & Haskell!

WORKSHOP

Let's write 2 progs.

1. A fake "sort" command.

2. A concurrent image downloader.

```ruby
def sort(source)
  out = []
  source.each do |line|
    out << line
  end
  out.sort
end
puts sort($stdin)
```

http://bit.ly/15pdKZp

Oh, BTW,

Some online REPLs

1. tryruby.org
2. tryhaskell.org
